JURY TRIAL DEMANDED

JOINT MOTION TO EXTEND THE MEDIATION DEADLINE

Plaintiff and Defendant move for an order extending the mediation deadline in this case, and in support of this motion state:

This is an employment case in which Plaintiff claims her termination amounted to sex discrimination, in violation of Title VII.

Before filing their Joint Report providing input on the contents of the Scheduling Order, the undersigned counsel conferred on all required matters, including a mediation deadline. Both counsel agreed that in employment cases, early mediation is usually unsuccessful, so in the Joint Report (Doc. 13) the parties indicated that mediation should be considered “after dispositive motions are filed.”

The Court set a dispositive motion deadline of November 14, 2025, and a mediation deadline of June 13, 2025.

Due to the status of discovery and scheduling issues, the parties so far have not been able to schedule the mediation. Furthermore, the parties submit that a later mediation deadline would increase the chances of the case settling at mediation. The parties therefore request an extension

of the mediation deadline until December 15, 2025, roughly one month after the dispositive motion deadline in this case.

WHEREFORE, Plaintiff and Defendant request the entry of an appropriate order.

Respectfully submitted,

/s/ Donald E. Uloth
